Dear Minister:

Re: JCA Community Centre Renovation Project

We are writing to update you on our project and our fundraising activities. To date we have raised \$305,000 and have pledges for \$110,000.

Construction work is progressing on schedule.

We have met approximately eleven of your colleagues from the GTA caucus, and they are all supportive; however, each one suggested we should be meeting with you instead of them.

We have been on the waiting list since early December to see you. I am again asking for an appointment even if I have to travel to Ottawa to see you we are prepared to do so.

Bryon Wilfert has written to Minister Gagliano regarding a loan for the JCA through CMHC. A copy of that letter is attached.

We hope to meet with you soon and we appreciate your continued support for this most worthwhile project.

Yours truly,

Jamaican Canadian Association

Herman Stewart
